PULSA 40E

Powerful Cordless Gas Nailer

For electrical cable and conduit management into concrete, steel, masonry and timber

NEVER STOP BUILDING

A QUALITY FIX, FASTER

Maximise productivity with the NEW Pulsa 40E. This cordless gas nailer for fixing electrical cable management systems into concrete, steel, masonry and timber is one of the fastest, most durable and realible tools on the market. As an electrician you can conform to 18th Edition regulations with a comprehensive range of accessories. Whether it is cable tie mounts (Clip Elec or Metal Clip Elec) for securing cables, the Steel P-Clip for attaching conduit, or the Threaded Rod Hanger for suspending light containment the Pulsa 40E system will save you time and money against traditional methods of fixing.

Extended warranty to 3 years

Weight: 3.7kg

Magnetic and standard pin guide available

Streamlined design for securing fixings in tight spots

Magazine capacity for 20 pins + 3 pins lockout

Non slip grip and perfectly balanced at the trigger

Improved tethering belt hook

Removable support leg

3.7 volt Lithium-ion cell that allows **extra battery capacity for 3500 shots per charge**

LED display – **shows remaining fuel and battery charge**

Start & Go system **for energy saving**

spit PULSA 40E

NEVER STOP BUILDING

FEATURES & BENEFITS

INCREASED PRODUCTIVITY

• 8 times faster than traditional methods of fixing

MAXIMUM DUST PROTECTION

• Mitigate drilling and drastically reduces the risk to dangerous dust

REDUCED HAND ARM VIBRATION

• Minimal exposure levels

WORK MORE, CHARGE LESS

• Extra battery capacity permits the tool up to 3500 shots per charge

PULSA40E

FEATURES & BENEFITS

3 YEARS WARRANTY AS STANDARD

- Improved engineering and increased robustness means an extended three year warranty

SLIM AND STREAMLINED

- Compact to access the tightest locations and benefit from a great line of sight

DEPTH OF DRIVE ADJUSTMENT

- For the perfect fix

ON SITE TOOL MAINTENANCE

- Easy to self maintain on site

LOW ACTUATION FORCE

- Work faster and easier, feel less fatigue.

APPLICATIONS

CONDUIT & CABLES

LIGHT CONTAINMENT

TRUNKING & JUNCTION BOXES

FLOORS, WALLS & OVERHEAD FIXINGS

SUBSTRATES

TECHNICAL SPECIFICATION

Code: (with 20 pin magazine)	**019679**
Weight with battery:	3.8kg
Pin range:	15-40mm Collated
Magazine capacity:	20 or 50 pin option
Intermittent operation:	2 pins per sec
Fuel cell life:	750 shots
Fixings per Battery Charge:	3500

TOOL INCLUDES

— Pulsa 40E

— High impact carry case

— 1x battery

— All in one charger

— Safety glasses to EN166:F

— Single shot cover guard

— Instructions manual

— Allen key

— Safety instructions

— CE Declaration of Conformity
